WHY INJOY?

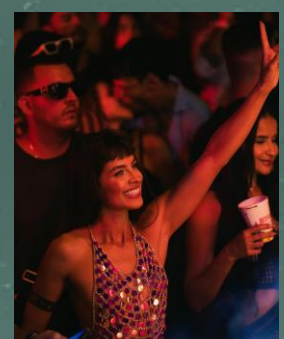

# RÉVEILLON CARNEIROS

In one week a lot can happen. The music, the cinematic nature, the connection with people and the community of Carneiros transforms us.

A time to celebrate music, evolution, unity and sharing. This is the spirit of Next Level. But you will only understand if you live.

The Next Level of your life will require a different version of you. Be prepared on December 27th when the coast of Carneiros once again transforms into a celebratory stage for music, expansion, evolution and unity.
